## Considering Text for Quinceañera Invitations

**Other than the wording and design, the marital status of the birthday girl's parents is an important element to consider especially if she was raised by a single parent or guardian, by divorced parents, or if one of her parents is deceased.**

### **Traditional template following a nuclear family structure:**

"Mr. and Mrs. Jose Fernandez  
invite you to..."

*That information is then followed by the name of the Quinceañera, the date, year, time and location of the event.*

### **Template when one parent is deceased:**

Johanna-Isela  
daughter of  
Jose Fernandez and  
the late Graciela Fernandez  
request the honor of your presence  
at her Quinceañera

### **Template with single parent/guardian:**

Mrs. Graciela Gutierrez  
and family  
request the honor of your presence

### **Template when parents are divorced:**

Mrs. Graciela Gutierrez  
and  
Mr. Jose Fernandez  
request the honor of your presence
